About Us

Established in the year **1988**, we **"Pitambari Products Pvt. Ltd."** have emerged as the leading exporters, manufacturer and suppliers of Homecare Products, Sesame oil, Health Care Products. Our company has been approved by FDA India and is awarded an ISO 9001:2008 certification by DNV Netherlands. Further, all our manufacturing units are approved by GMP. In addition to that, we have a flagship brand of our company by the name of Pitambari Powder. The compendious range of products that we offer is known for its skin friendliness, effectiveness, purity and reliability. The raw material is procured from the most praiseworthy and authentic vendors across the world. Further, there are well equipped manufacturing units in which bulk production takes place. These units are managed and maintained by highly skilled and qualified personnel, who scrutinize the entire manufacturing process and inspect the quality of products. Our company ensures dispatch of products within the stipulated time frame. We are offering our products under our own brand name pitambari, charu and etc. Our company was started in 1988 as a small business entity started by "**Mr. Vamanrao Prabhudesai**" and his son **"Mr. Ravindra Prabhudesai"** whose strenuous and undeterred efforts have enabled us to carve a niche for ourselves. Owing to their efforts, we have been able to create a wide client base of 3 million,...
